

**THE WHITE HOUSE**  
**WASHINGTON**

**June 27, 2003**

**The Honorable Earl Pomeroy**  
**House of Representatives**  
**Washington, D.C. 20515**

**Dear Earl:**

**I appreciate your vote in support of H.R. 1, the Medicare Prescription Drug and Modernization Act of 2003. Medicare reform is critical to the future of health care in America. With your vote you have shown your dedication to strengthening and modernizing Medicare for America's seniors. This legislation will help give seniors more choices and better benefits, and assist us in ensuring that they have access to the newest medical technologies and medicine.**

**I look forward to continuing to work with you to finalize this historic legislation.**

**Sincerely,**

A handwritten signature in black ink, appearing to read "George W. Bush", written over the printed name.
